DATE: 5 Nov. 56. 339

TO :  
FROM :  
SUBJECT:Article 2

Attached are two files - one from C/SO, the other from C/S. In which I have marked key papers in Article 2. One vital document is not here apparently, the one which transferred overall responsibility from C/SI to D/SO. This was a Staff Study to DSI dated 29 August 1952, which I prepared and ran through the various pertinent offices.

In C/SI, only Chief, [redacted] of his name and I are cleared for this project. [redacted]
